SKILLS
- JavaScript
- Node.js
- React.js
- Ruby
- Rails
- jQuery
- CSS/Sass
- HTML
- Git
- SQL

EDUCATION
General Assembly '17
Web Development Immersive
Queens College '13
Declared Major – English
Q.C.C '11
A.A Liberal Arts

A creative, hard worker who loves making things from scratch. I'm a team player with the ability to play many roles, taking any challenge head on. I am an organized planner, who is willing to take criticism and start over when necessary. I seek to learn something new each day and continuously grow.

PROJECTS

Everyday PokeDex (React.js, Node.js)
A PokeDex that displays data from making API calls from pokeapi.co
- Built with React.js & Node.js and simple CSS.
- Update data on the screen when different Pokemon are selected.

Retrospektor (Rails, PSQL)
Peer review site of peer reviews.
- Pulls tweets, yelp reviews and other reviews from APIs which you can make reviews on.

Final Fantasy Snake (JavaScript, jQuery)
Recreation of a classic game
- Uses jQuery to manipulate the DOM and randomize targets on the page.

EXPERIENCE

October 2016 – January 2017

General Assembly

Web Developer Immersive

- Learned the most sought-after skills in tech, from JavaScript to Rails, with guidance from the GA team of experienced instructors
- Built real websites using APIs, and data-driven apps while collaborating with classmates on projects.

December 2014 – March 2016

Holland & Sherry

Customer Service Representative

- Completed voluntary customer service training to learn ways to enhance customer satisfaction and improve productivity.
- Managed a high-volume workload within a deadline-driven environment.
- Respond to telephone inquiries, providing quality service to customers and associates inquiring about the availability of products and status of orders.
